file no. 80-16
pt. no. 1

Dear Mr. Hiriyannaiya,

I forward herewith, for the information of Dewan, a copy of report dated the 14th instant, from the Superintendent of Police, Bangalore District, regarding a small disturbance which took place at the Lal Bagh, on Saturday the 12th instant, between four British soldiers and a few Mahomedans.

2. With a view to prevent the occurrence of similar incidents in future, I have arranged for a special patrol of 2 officers and 3 constables being deputed for duty at the Lal Bagh every evening.

Yours sincerely,

Krishnamurthy

M E M O.

I beg to report that on Saturday the 12th instant about 6 P.M. while 4 soldiers were driving in a Victoria in the Lal Bagh, 4 Mahomedans, one of whom belongs to the City, and who are reported to have been the worse for liquor, began to jeer at, and insult the soldiers when they stopped the carriage and the soldiers descended, when the Mahomedans ran away; and the City Mahomedan stood there defiantly, before the soldiers, when one of them gave the Mahomedan a push and 2 cuts with a cane, then got into the carriage and drove away. The Mahomedan who is named Joomma Sait collected a number of Mussalmen at the Lal Bagh Gate, and was creating a disturbance, waiting for the return of the soldiers from the Lal Bagh despite the warnings of the constable; just then Mr. K. Srinivasa Rao, retired Deputy Commissioner, happened to pass by, and was making enquiries as to the cause of the disturbance, when the carriage containing the soldiers came out of the Lal Bagh and the Mahomedans created a noise and even threw a couple of stones, when fortunately a Motor drove up, and the soldiers got into it and the gentleman who was steering drove away on the Hosoor Road. The Mahomedans then brought the carriage to the Kalasipalya Station and the Mahomedan who was beaten complained that he lost a tooth by a stone striking him on the mouth. The soldiers are not known, neither is the Car in which they went away.

Sd/- A. Hayes.
Superintendent of Police,
Bangalore District.
